

LLANARMON COMMUNITY COUNCIL REPORT DECEMBER 2023.

HIGHWAYS, ROAD REPAIRS AND POTHOLE.

It is that time of year when I have to submit my "Wish List" to DCC Highways for the 2024 Budget. Can you please let me know your suggestions by 20th December? Despite the Budget Deficit, the £4 million allocated for road repairs remains. The recent inclement weather caused some problems around the Ward. Remember that DCC's emergency number is 0300 123 3068.

POSTMAN ASSAULT

As you may be aware, there was an assault on the local Postie. Whilst not a DCC matter, I have spoken to the Police, The assailant has been identified and will be interviewed.

PLANNING APPLICATION LLANARMON.

As far as I am aware the Planning Application for 33 houses in Llanarmon is still on hold because of the Phosphates issue. It is not before the Planning Committee. If and when it does raise its head again, I will deal with any Public concern.

HEN ARDD CAR PARK.

There has now been a response from DCC Highways and NRW and have given their written permission. May I suggest that LCC get quotes for drawings as to how and where to put the hardcore. It's my understanding that Graig Quarry will close in December or January. I am confident that I can source the hardcore for free from Lelo Aggregates when required.

And finally,

May I wish you all a very Merry Christmas and hope you enjoy the festive season with your families.

If there are any issues that are of concern, please get in touch.

Regards,

Terry Mendies.
