Gardening Club Members, Our thanks go to you all for supporting our club. Please find the dates of our planned events and speakers. Sorry some trips are not on Wednesdays; as they are out of our control. Remember, there are no membership fees. Just come along and when possible bring a friend, you are always welcomed.

Wednesday 22nd May at 3pm tour begins

I am delighted that Eryrys Gardening Club will be allowed a **private visit just for our members to (please support)**

Plas Nantglyn, Denbigh, LL16 5PW

5 miles south of Denbigh, follow the signs for Nantglyn in SW direction. Near the phone box in Nantglyn straight over crossroads and bear right at fork, the house is 300 yards on the left. I know it's not our normal time or week to meet - but I have to take the advice given by the owner, Richard Welch. He has advised not leaving the visit any later in May, as his established, collection of rhododendrons will then be at their best - earlier in the year than they used to be. The large established gardens have rhododendrons, (not to be missed) formal yew hedging and topiary enclosed a rose garden and vegetable plot. Herbaceous borders: Fine trees, including tall beeches, along the drive and a cedar of Lebanon: a pond, summerhouse, terrace, all with splendid views. Donation £5 to Hope House and Children's Hospices.
